Fort Erie International Academy is Opening its Doors to Students from Ukraine

Staff and Students at Fort Erie International Academy (FEIA) are acutely aware of the atrocities taking place in Ukraine at the present time. The FEIA family has decided that they MUST do something about this.

And with that, the Fort Erie International Academy is opening its doors to welcome students from Ukraine, with tuition fees being waived by the school.

FEIA is hoping to have financial support from members of the community – both individual and corporate - to assist with the cost of food and board.

The students will be housed in the modern student residences at our facility: <https://feia.ca/>

FEIA has partnered with the Canada Ukraine Coalition for Vulnerable Children – an organization that is raising funds to bring students to Canada. The school expects that many of the students who attend will be alone in Canada. Trauma counselling, ESL support and other resources will be provided to support their transition. The Fort Erie Multicultural Association will be integral in this venture.

FEIA will host a zoom meeting on **Tuesday May 17, 2022 at 11am.**

Any/All media outlets will be provided a zoom link upon request. For interview or special coverage requests, please email Corey Williamson below.

Donations are needed, and most welcome, and can be made at feiafundraising@feia.ca.

For further information, questions or ideas for fundraising, please contact Corey Williamson at corey.williamson@feia.ca.
